**Re: Federal Wage Rate Certification for National
Infrastructure Investments under the Consolidated
Appropriations Act, 2018 Application**

Dear Secretary Chao:

The City of Ruston, in partnership with Louisiana Tech, as the administrator of this proposed Better Utilizing Investments to Leverage Development (BUILD) Project for the construction and improvements of the Monroe Street Corridor Project, will comply with the federal wage rate requirements of subchapter IV of chapter 31 of title 4, U.S.C.

If the City of Ruston is awarded FY 2018 BUILD Transportation Discretionary grant funds to construct the needed Monroe Street Corridor Project, all prime and sub-contractors working on the project will be required to meet federal wage requirements.

Sincerely,

A handwritten signature in blue ink that reads "Ronny Walker".
