## **Other helpful resources:**

**Center for Disease Control <https://www.cdc.gov/coronavirus/2019-nCoV/index.html>**

**Louisiana Department of Health and Hospitals <http://ldh.la.gov/>**

- **To reduce the spread of Coronavirus, wash your hands for at least 20 seconds with soap and water, use hand sanitizer with 60% or more alcohol content, cover your coughs and sneezes with a tissue or your elbow, and disinfect hard surfaces regularly throughout the day.**
- **Call your healthcare provider before coming to the facilities, so that proper protective measures can be made for you and the other patients.**
- **Adhere to visitation policies at nursing homes, assisted living facilities, and hospitals. These will be posted on the entrances of all facilities.**
