

Northern Louisiana Medical Center

ATTENTION

ALL VISITORS

We currently have a **ZERO** visitor policy with limited exceptions. We are limiting visitors to only ONE essential person to best care for the patient.

Labor and Delivery and Postpartum patient visitors:

- Only one adult visitor and this must be the same visitor for the entire stay

Pediatric patient visitors:

- Only one parent or designated caregiver and this must be the same visitor for the entire stay

Intensive Care Unit (ICU)

- Only one visitor - spouse, significant other **or** adult child - once a day for 30 minutes between 8:00 AM and 12:00PM

End of Life

- Visitors may include spouse, significant other or adult children

Dementia Patients

- Designated family member or caregiver or paid sitter two shifts a day

All visitors will be screened for fever greater than 100.4, cough, shortness of breath and travel history.
