

WELCOME TO RUSTON & LINCOLN PARISH

Excellence Made Here

Ruston, Louisiana is centrally located in northern Louisiana. As the Parish Seat of Lincoln Parish (County), Ruston is large enough to offer many wonderful amenities and small enough to maintain our unique small town charm. As the home of Louisiana Tech University, Ruston has an exciting energy, offers a vibrant entrepreneurial spirit and maintains a pro-business attitude.

Ruston lies at the intersection of Interstate 20 and Highway 167, providing easy access to a number of national markets. The Parish has a rail line and regional airport to provide additional means of transportation for the community, which has the infrastructure in place to support further growth and development. Lincoln Parish is also home to a diverse economic base of both domestic and internationally based companies, including advanced manufacturing, technology/support services, healthcare, and financial services. Ruston is also home to some of the best K-12 schools in the region.

While our people are one of our best assets, there is a quality of life in Lincoln Parish that is second to none. Whether you are interested in mountain biking trails, an 18-hole professional golf course, arts and entertainment, hunting and fishing, collegiate sports, museums, or festivals, Lincoln parish has something for everyone.

Ruston is the ideal place to start, expand or grow your business. You will find a business friendly atmosphere, infrastructure to support your business, easy access to neighboring markets, access to a top tier university, and a great quality of life. Come see what Ruston can do for you!

Lagniappe

The City of Ruston is currently constructing a 185 acre Sports Complex that will be capable of hosting 6 different tournaments at once – all ages of baseball, girls’ softball, adult softball, soccer, tennis, and cross country. The Ruston Sports Complex will feature all turf fields, a 6-acre stocked pond, walking trails, concessions, and plenty of parking. Ruston has already won the bid to host the 2019 Dixie Youth World Series.

Louisiana Tech University created the nation’s first four-year degree in cyber engineering to support CSRA’s expansion into nearby Bossier City. In April 2018, the union between CSRA and GDIT created the premier provider of IT solutions to local, state and federal government agencies.

Louisiana Tech University is connected to the Louisiana Optical Network Initiative, or LONI, which is a state-of-the-art, fiber optics network that connects Louisiana and Mississippi research universities to one another as well as National LambdaRail and Internet2.

The City of Ruston has an internal fiber network that offers up to 10 Gbps which translates into higher speed, higher capacity, and greater reliability of data access. This system has significant commercial value and is a significant competitive advantage for businesses in need of high quality data transfer.

Louisiana Tech is expanding their Research Campus to allow additional opportunities for existing and start-up companies with a research intensive focus.

New Tech at Ruston High School provides an instructional approach centered on project-based learning and integrated technology in the classroom.

Ruston is a Downtown Development District, Louisiana Main Street, Historic District Community, Cultural District, and is listed on the National Register of Historic Places.

Ruston has completed 5 phases of a 9 phase Downtown Revitalization project.

A Tax Increment District exists along Interstate 20.

Health Care specialties have been expanding locally making Ruston a regional health care hub.

Leadership Lincoln is offered to the community through the Ruston-Lincoln Chamber of Commerce.

Local Civic Groups including Rotary, Kiwanis, Junior Auxiliary, United Way, Boys and Girls Club, and others are very active in the community.
